Vocabulary Activities

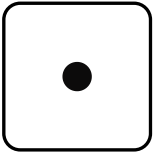

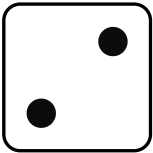

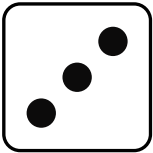

I recommend keeping these pages as a master copy. Make copies or print new pages as often as needed. Please do not share the pages. Instead, share a link where people can sign up for their own copy.

VOCABULARY ROLL A WORD

Roll the die and follow the directions.
Write the answer in your science notebook.

	Write the definition.
	Draw a picture of the vocabulary word.
	Use the word in a sentence.
	Does the word have a pre-fix, root word, or suffix? If so, identify it.
	Identify the part of speech.
	What is an example of the word?

SCIENCE Vocabulary

BINGO CHALLENGE

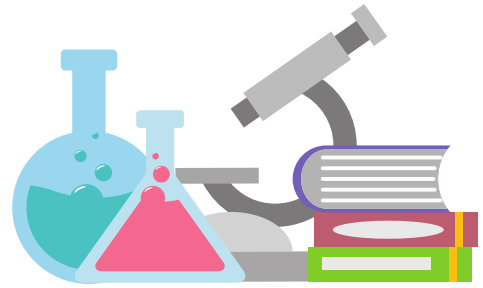

Write a science vocabulary term in each blank. When you hear the definition read, cover the appropriate word.

The first person to fill five in a row wins!

FRAYER

Model

Write the vocabulary word in the center oval. Fill in each box with the information.

Definition	Facts and Characteristics
Example (Synonym)	Non-Example (Antonym)

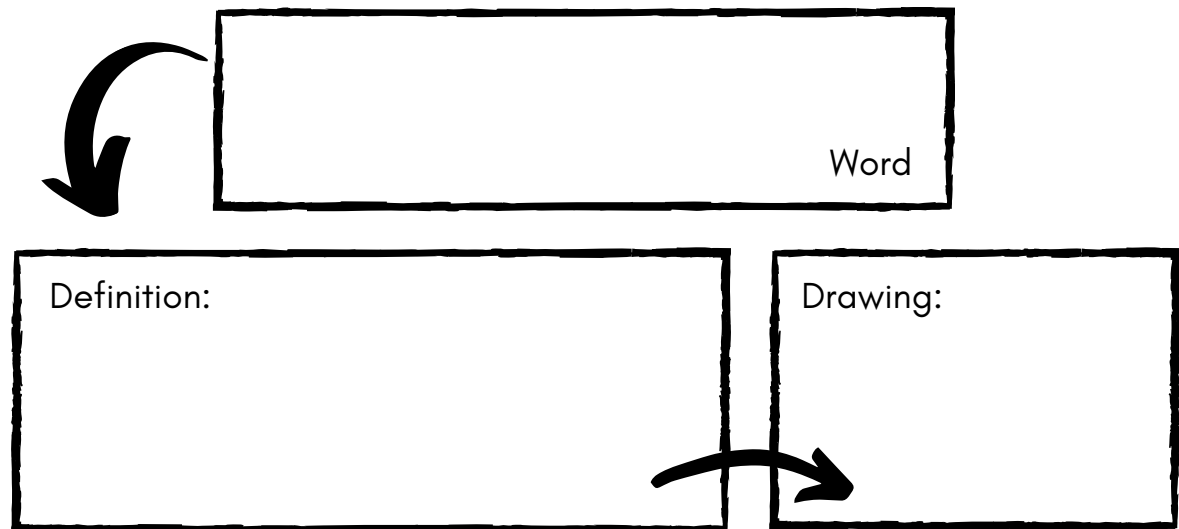

VOCABULARY

Memory

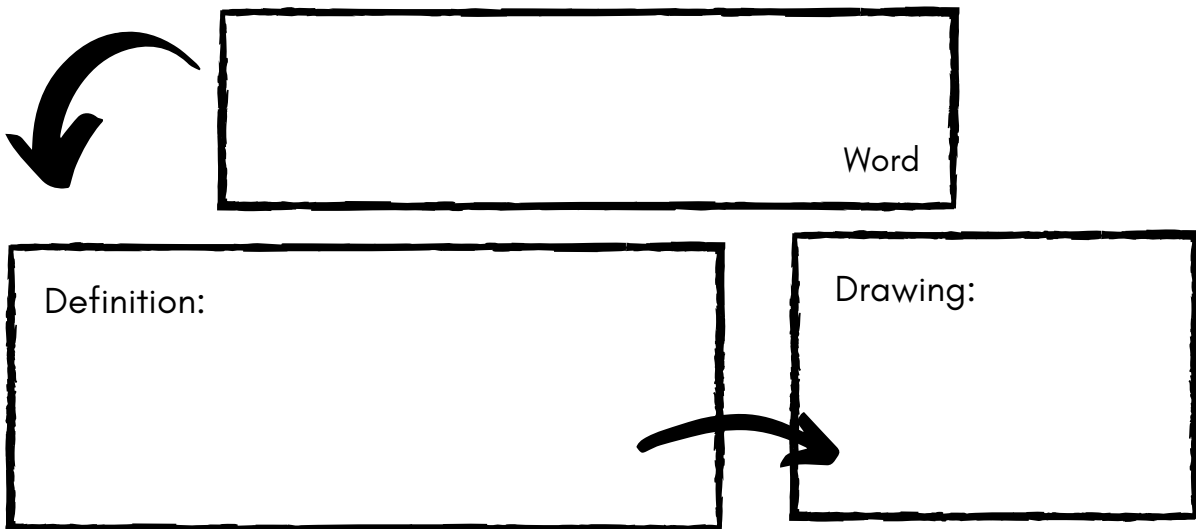

Write vocabulary words in half of the boxes and definitions in the others. Cut on the lines and then place the cards face down. Mix up the cards and then flip them over, one at a time, to make matches.

Vocabulary

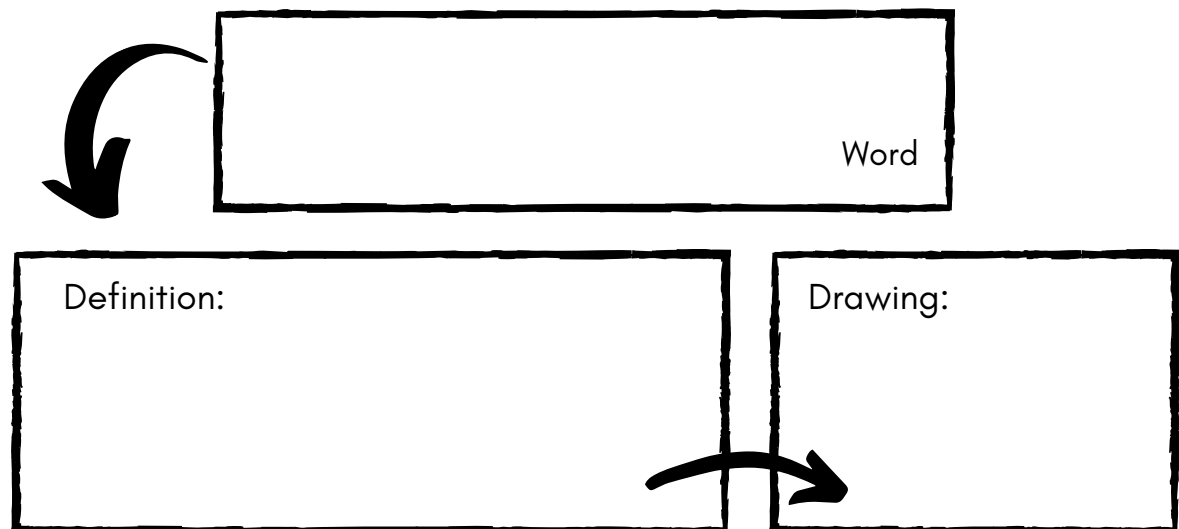

Notes

A diagram showing the first template for a vocabulary note. It consists of three rectangular boxes. The top box is a single wide rectangle with the word "Word" in the bottom right corner. A large, thick, black curved arrow points from the top left of this box down to the top left of the box below it. Below the top box are two smaller rectangular boxes side-by-side. The left box is labeled "Definition:" in the top left corner. The right box is labeled "Drawing:" in the top left corner. A smaller, thick, black curved arrow points from the bottom right of the "Definition:" box to the bottom left of the "Drawing:" box.

A diagram showing the second template for a vocabulary note, identical in structure to the first. It features a top box labeled "Word", a middle-left box labeled "Definition:", and a middle-right box labeled "Drawing:". A large curved arrow points from the top box to the definition box, and a smaller curved arrow points from the definition box to the drawing box.

A diagram showing the third template for a vocabulary note, identical in structure to the first two. It features a top box labeled "Word", a bottom-left box labeled "Definition:", and a bottom-right box labeled "Drawing:". A large curved arrow points from the top box to the definition box, and a smaller curved arrow points from the definition box to the drawing box.
