

Planet Craftivity

Educator Notes

Instructions:

1. Print the pages on white printer paper.
2. Cut around the 3 large circles.
3. Choose a planet and cut it out.
4. Fill out the sections with the information about your planet of choice.
5. Attach your planet to the circle using a glue stick.
6. Use a hole punch to make a hole in the small circles.
7. Fold the circles in half vertically with the blank side of the paper facing outward.
8. Use a glue stick to on the one side of each folded paper, then attach the 3 circles to form a sphere.
9. Attach a piece of string or twine through the holes to hang your craft.
